JOHN PANIAQUA IF I AM GOING TO PUT PHOTO ON A WRAPPER WHAT PAPER SHOULD I USE

Mod-Rich "and if time would stop ticking by I might get them actually on my website to sell the darn things, lol"

shellyg lol

cmaine "things kind of slowed down for me, I finished 300 candy bars for a soccer fundraiser and got them out to them on Monday. They were very happy with how fast they got them :)"

Mod-Rich White John HAHA... sseriously though... laser or inkjet?

shellyg "need those ""round tuits""!!!"

Mod-Rich cmaine... I got 7800+ letters going out for graduations in 1 week... I am gearing for a meltdown :)

cheryl hi Janet

Mod-Rich Welcome Janet

cheryl hi Shirley

janet fashionably late :red:

Mod-Rich "hmm, can't help much there as I do not use that john... But I remember some saying they used HP brochure paper..."

Short&Sweet Better yet buy the FOREVER Stamp Before Sunday

Shirley1520 First time here... don't be too hard on me!

Mod-Rich Welcome Cheryl!

shellyg forever stamp is STILL 41 cents

Mod-Rich Welcome shirley

cmaine WOW Rich...I know I would have a meltdown. That's a lot of letters!

shellyg do 39 cent right now

Short&Sweet Not here - I got them for the 39cents today

Mod-Rich forever stamp not on saole till monday actually and it will be .41

Mod-Rich I thought

cheryl my mom bought the forever stamp last week

Short&Sweet Picked them up today at the Main PO in our area - you have to ask for them

Mod-Rich "but I wish I could shelly... I am not finished designing them even, lol... and the printer is going to press with them on Tuesday, rofl"

Mod-Rich hmm I thought they were not going onsale until the 14th

shellyg \$156 savings on 7800 first class!!!

Mod-Rich I will get some tomorrow :)

shellyg that 2 cents makes a huge difference

Mod-Rich "i know shelly, but no way I can get it all done in time, lol"

Mod-Rich I have a mail house mailing them out for me...

shellyg oh

Mod-Belver Rich? why not deliver them by hand? then you could sponsor about 20 laser printer prizes :whistle:

Mod-Rich getting a discount on postage anyway cause it is zip4'd and cass certified and postal presorted and all that

shellyg bulk postage?

Mod-Belver welcome littlebee!

Mod-Rich ROFL Belver

littlebee55 Hi!

littlebee55 Sorry I'm late

shellyg oohhoo belver!!!

Shirley1520 "I just printed off my first wrapper, and am considering buying a new printer... what I currently have is a Lexmark all-in-one. Any suggestions on what does good for desktop pub - and photo's - with reasonable priced ink?"

Mod-Rich "well presorted discount shelly, might not be using the right ""terminology"" though"

shellyg I LIKE the way you think!!! :)

cheryl hi littlebee

littlebee55 Hi cheryl :)

Mod-Rich "welcome littlebee.. no worries I am late most of the time too, haha"

Mod-Belver "Shirley, I haven't found any brands with reasonably priced ink..all of them are about the same, unless you want to use third party ink IMO"

JOHN PANIAQUA ANY GOOD IDEAS FOR GRADS

shellyg I like my magicolor laser... first time toners are a big cost but they last FOREVER!

Mod-Rich "John I am doing water bottles, bars, minis, magnets and invitations"

littlebee55 "Same with my HP2600N. In cost an arm and a leg, but I've had mine for almost a year and I still have around 47% of it left."

Mod-Rich "shelly, I hate mine! I want to get a new printer... I will always stick with HP's from now on"

Shirley1520 So you think your magicolor laser costs less to operate over an inkjet?

shellyg my black is finally running low after a year

Mod-Belver welcome sharlee! :clap:

JOHN PANIAQUA THAT SOUNDS COOL WATER BOTTLES

Shirley1520 Can you tell a difference using third party ink?

cheryl wow after a year....

Mod-Belver "I can't, but others tell me they can Shirley. My dream is to get a good laser tho"

Mod-Rich yeah shelly mine has been in almost 11 months now too and still kicking

Mod-Belver I laminate so I can't tell the difference with the third party ink

littlebee55 "What printer do you have, rich?"

Mod-Rich "Keep dreaming Belver, haha"

shellyg I have a canon pixma inkjet too... used inkrefills & almost wrecked my printer heads!

shellyg oh wait... that was my HP

Mod-Rich I have 2 actually a magicolor 2300 and a HPLaserjet 4550...

Shirley1520 "shelly, is your magicolor laser a 2300 also?"

Mod-Rich and at work I have an hplaser 3800 I think?

sharlee I used in refills with my lexmark & it really messed it up. I only use epon ink with my epon inkjet

littlebee55 So far I'm real happy with the 2600N.

shellyg I think 2400

Mod-Belver don't brag Rich....or I'll make you bring one over here.....Punch:

littlebee55 "Same happened to me, too Sharlee. Got ink everywhere. What a mess!"

Mod-Rich "lol belver... not bragging, she asked me haha"

Shirley1520 so basically the larger the number he better?

Mod-Rich "I agree sharlee, I will never by third party inks or refill inks IMO"

shellyg the larger is newer

shellyg I think

Mod-Rich no shirley not always true... The larger the number the newer the model

Mod-Rich "printers are usually outdated before they even hi the retail store shelves, lol"

shellyg yea... I think the 2300 was on it's way out when I got 2400

Shirley1520 "ok. Well, money is no problem..... just kidding. Hmmm... I wonder if the kids would all consider chipping in on one for me for mothers day."

shellyg it was only \$200something at Sam's

Mod-Rich when I print cardstock on it shelly I have to stand there and watch it or it jams every sheet :(

Mod-Rich gotta watch for sales... when they go on sale there some good bargains out there on lasers

cheryl "I hope to get a laser,one day"

Shirley1520 "You bought yours at Sams', Shelly?"

shellyg no problem so far with card stock... lighter that is.. I just my be needing a new drum soon... getting light streaks

littlebee55 I sure wish they'd put their toners on sale more often. It costs me about \$350 if they were to all go out at once.

shellyg yep

littlebee55 It costs more for the toner than it did for the printer!

Shirley1520 Yikes!

shellyg I get those \$10 & \$20 coupons from office depot... that's when I pick them up

Mod-Rich yeah thats when I get mine too with staples coupons

Mod-Rich that and watch for the sales...

shellyg BUT... a toner can last a year... depending on the work load

littlebee55 "Yeah, I just joined Office Depot Rewards or whatever it's called. Haven't earned much yet."

Shirley1520 "How long have you had yours, Shelly?"

Cindy S-P anyone own a xeros phaser

shellyg I think about 2 years???

Cindy S-P "littlebee, when you have to replace all of the toner cartridges at once, you'll get a nice rewards check"

shellyg can't remember LOL

littlebee55 "Yeah, that's why I joined! :)"

Mod-Rich I think I have had mine about 2 years or so

littlebee55 "But it really does last a long, long time."
Shirley1520 "Thanks for the info, folks. I have to go.... my kids are waiting on me to join them to watch a movie. THANK!!!!!"
shellyg the black is a double size... so this will be the first I've replaced it
Shirley1520 "Oh, that is so cool! I'll definately be going to Sam's soon!!!!!"
shellyg I was paying WAYYYY more in ink for inkjet!
Cindy S-P i go through toner pretty quickly...i do a lot of full color items
Shirley1520 "oh, what about the brand? Is it Konica Minolta?"
Mod-Rich yes shirley
Shirley1520 THANKS!!!!:)
shellyg I do full color too Cindy... but not full sheet solids... I try to keep my designs white backgrounds on back
Mod-Rich did anyone else market for graduations?
barrypatch I think I missed most of the chat lol
Mod-Rich Welcome Nancy :)
barrypatch "I didn't really have stuff ready for graduation, but I have lots of local orders"

Mod-Rich cool janet! no sorry no info on that printer from me... John... waterproof paper labels

littlebee55 I got too late of a start.
Mod-Rich they will be back littlebee :)

shellyg nice thing about holidays... they keep coming back around LOL
littlebee55 "hope so! :) I did get my first internet order yesterday, though! I was thrilled"
Mod-Rich had 2 orders already actually though :)
barrypatch Our high school graduation is June 1
littlebee55 "Ours is end of May, first week of June"
shellyg I do more online... so grads are throughout this & next month
cheryl that's great littlebee
JOHN PANIAQUA MY SON GRADUATION IS ON THE 25 OF JUNE
littlebee55 Do most of you guys ship chocolate for internet orders?
shellyg yep... only way to get them there LOL
Mod-Rich I am doing grad wrappers for my son's Pre-k graduation... I figure thats 36 moms that might remember me :)
JOHN PANIAQUA COOL
Mod-Rich "I would deliver to Hawaii.. but they say UPS is cheaper, go figure"
littlebee55 I meant do you always offer chocolate or do you mostly do wrappers only (sorry about that)
shellyg since i homeschool... my kids DON'T want chocolate bars LOL... they are sick of them
Mod-Rich "I offer both littlebee, but find 98% of my orders are with chocolate..."
cmaine LOL Rich...I'd deliver to Hawaii too :)
shellyg oh... sorry... yea.. I still wrap bars & send
littlebee55 "Thanks, Rich."
shellyg I have never had any problem during summer
shellyg I add bubble wrap & an icepack or 2
shellyg priority mail
Mod-Rich me either shelly and I have shipped to Phoenix in August!
shellyg yep... Florida in August
littlebee55 "Do you always overnight them, or do the ice wraps last two-3 days. I'm just scared to

death it will be chocolate soup."
shellyg I just DON'T leave out for my mail lady to take LOL
cmaine "Thanks Shelly, I was just typing the question, what do you use when shipping. what type of ice packs to you use?"
littlebee55 I send from Florida. It's SO HOT here already
shellyg I use the icepacks from dollar store (2 for a buck) but Rich has those cool sheets
JOHN PANIAQUA THAT FOR ALL THE GOOD IDEAS
JOHN PANIAQUA GOOD NIGHT ALL
Mod-Rich night john! Good Luck
littlebee55 "night, John"
cheryl nite John
shellyg I also wait till end of day to take to PO... & only ship Mon...tue & MAYBE wed
barrypatch "I need to look for those icepacks, we have one dollar store here"
littlebee55 Rich sells them
cheryl us too
littlebee55 "The ice sheets, I mean"
Mod-Rich "not the icepacks littlebee, I just have ice wrapper (sheets)"
barrypatch "I have his, but if I need some in a hurry, I want to see if they have them"
shellyg we have a Buttload of Dollar trees
Mod-Rich oops :)
Mod-Rich "yeah what she said, haha"
littlebee55 I caught it - sorry about that. Was trying to advertise for ya :)

Mod-Rich I'll take 2 dollar trees shelly! Got and hundred dollar trees??
Mod-Rich thanks littlebee ;)
shellyg I have 3 within 5 min... more farther out
shellyg LOL
littlebee55 "Our Dollar Tree stinks here. I can hardly ever find what I need there. Although.... I did find the CUTEST, little, tiny paint cans with powdered candy (I think) and these, little tiny soda cans in the candy department. I got them so I can make miniature representations of gallons, quarts and salt and pepper shakers."
Mod-Rich I won't let my wife near the dollar stores anymore... they should be called \$40-50 stores!
barrypatch "No Sam's, no Costco, no Michael;s, need I say more?"
shellyg BUMMER Barrypatch! That's the ONLY thing I like about the city... we have everything & all close!
littlebee55 "Wow, Barrypatch! That must be expensive not having Sam's or Costco."
Mod-Rich "nope nancy, I have one word for you..... MOVE :)"
barrypatch it's bad
barrypatch we are supposed to get a Sam's
barrypatch I know Rich
barrypatch "But, the house is paid for, just redid the basement"
Mod-Rich when nancy orders from me I have to send it via Pigon! ROFL
barrypatch I can actually work the day job from anywhere with a high speed connection
barrypatch Hey that pigeon landed today rofl
barrypatch "in my mail box, a package from Rich"
Mod-Rich lol
shellyg we have 2 sam's.... 2 super & 1 reg walmart... Michaels...hobbylobby ... 3 PO's all in 5 to 10 min
Mod-Rich "better in the mailbox then on your shirt nancy, haha"
barrypatch "There's a wholesale grocer, cash and carry. Their prices are a little cheaper than WalMart, which is where I have to get candy"
Mod-Rich BJ's seems to be bigger here... we just got a huge walmart and sams club here about 1 1/2 years ago... actually hate sams
barrypatch "very true, Rich"
barrypatch We have a Super WM

shellyg "I just had free ""lunch"" at sam's today... GREAT samples LOLOL"
littlebee55 I don't like our Super Walmart
cmaine "I forgot (sorry Rich :)) I do have some of Rich's ice sheets, I have only used them once...sent down to Reno last summer, they worked great!"
barrypatch I am so picky about organization and how I store things
littlebee55 "I love their samples, too, shelly. I can actually get full there."
Mod-Rich "nancy, there would have to be some sort of ""candy wholesaler ""somewhere close no?? Where do all the vending companies get their stuff from??"
barrypatch I just ordered construction paper storage things today for my foils
barrypatch "We have a huge place that sells to vending companies and all the convenience stores, but they won't sell to anyone else"
littlebee55 I need some kind of organization. I can literally barely walk in my office!
cmaine I have 4 of the construction paper storage things...I love them!
barrypatch This is like a literature storage thing
Mod-Rich "if you resell, they should sell to you... my local one gave me a problem at first, showed them my resale license and they let me buy"
barrypatch I have one in my Sunday School room and love it
shellyg I wish I could FIND my office!!! :roll:
barrypatch "You know, I need to talk to a guy at church that is in management there"
barrypatch He might be able to help me
Mod-Rich office? Whats that??
littlebee55 "I have one of them for my different kinds of regular papers. Is the one you have small, like the foils?"
barrypatch I can't work unless everything is organized
Mod-Rich "if I waited for that nancy I would never have started, haha"
littlebee55 "Me, neither!"
barrypatch "this one holds regular size papers, but we are going to put dividers going down the middle for some of the slots"
cmaine tell me about it...right now I don't even have a closet to use for an office. I can't wait to get the shop up! They said probably Aug!
shellyg I do have an anwar (can't spell it) for my papers... then a tall dresser for fabrics & stuff
littlebee55 My husband and I share the office. It's mostly mine. He carved him out enough room to put his laptop in. I'm kicking him out in a week or so!
shellyg lol
Mod-Rich lol littlebee
littlebee55 I need the room for the Klik-n-Kut
barrypatch "I have a 14 x 20 office, about half for the day job and the rest for me"
Mod-Rich lol littlebee... you gonna order one?
littlebee55 Yep. I can't wait!
Mod-Rich from me?
Mod-Rich hehe
littlebee55 "Waiting on you to get them so I can pick your brain, too :)"
cmaine Klik-n-Kut...what's that? Is it better than the Craft Robo?
Mod-Rich "oh ok the element one?? I have the regular klik n kut now... and the robo, and the robo pro and a huge electric bill for all my ""toys"" LOL"
shellyg I need a whole nuther house as an office!
Mod-Rich yes cmaine it is...
littlebee55 I want the Element I think
barrypatch "Shelly, the house next door is for sale.....my son said ""buy it for The Barry Patch"" lol"
cmaine "I don't have the Craft Robo, but have been thinking about it..."
shellyg LOL... my neighbor is moving too... too bad I can't afford 2 houses :)
littlebee55 "You're going to get the Element, aren't you, Rich?"
Mod-Rich "I wanted to build a room over my driveway but town said no... that would kill 2 birds, wife gets a ""carport"" and I get a room, lol"
shellyg he has a huge sunroom... I would DIE for an office in a sunroom!!!

Mod-Rich "yes littlebee I will be,,, last I heard (early this week) it is about 2 weeks out I think"

Mod-Rich I can put one on deposit for you if you definately want it

littlebee55 "Thanks, Rich"

Mod-Rich I would just die for an office shelly :)

shellyg how much is the Element running?

littlebee55 I need to sell a little bit more. It won't be long.

barrypatch "Our family room is never used, I keep looking at it, wondering where I could put all that furniture"

barrypatch "I really have enough room, just need to organize and sell off my old supplies"

shellyg I can add a sunroom off the back... I just can't build one LOL

Mod-Rich "I am not positive shelly, but I think about \$550-590 I think"

shellyg but I can look at DIY & see :)

shellyg will have to save up

shellyg "My ""New Biz""... sunrooms by shelly.... wonder if I can wrap it too hahahaha"

littlebee55 LOL

barrypatch "Shelly, you can add one like from a kit, but you can't build it?"

Mod-Rich all the klick n kuts are MUCH better then the Robo's especially the new ones starting to come out... when we get rid of all the old ones from stock I think I will stop selling the robo until they can fix it better

barrypatch "I would love to have a sunroom, but not sure how it would work in our cold winters"

shellyg I don't measure too well... so my sunroom would be REALLY crooked!

Mod-Rich ROFL! Shelly

barrypatch "okay, now I have all these ideas of sunrooms off the dining room floating in my head"

shellyg I need to find a cute carpenter... then I could just sit back & watch :up:

barrypatch that's a plan

Mod-Rich "well ladies, I really need to get going.... I hope you all have a VERY HAPPY, WELL RELAXED Mothers day!"

Mod-Rich and then back to selling on Monday! :)

cheryl thank you Rich

shellyg you have a great week too!!!

littlebee55 "Thanks, Rich. Good night"

barrypatch "We are Mothers, we don't relax lol"

barrypatch I need to scoot too
